Inspired by the rocking chairs found on the front porches in the Carolinas where there is nothing more peaceful than a light rocking motion in a warm breeze while enjoying the great outdoors, the Fredricksonn Rocker, like our Modern Adirondack Rocking chair, is a new take on a classic outdoor design. Featuring a taller seat height and a more upright sit the Fredricksonn is ready for front porches everywhere.

security option:

use with:
satellite table
(round 18 inch)
