why loll?

Made in Duluth, Minnesota, partially with recycled post-consumer plastic, Loll's modern outdoor furniture adds a unique and modern aesthetic to outdoor spaces. Founded in 2005, Loll was conceived as a way to repurpose excess skate ramp material from our former company, municipal skatepark creator, TrueRide. Loll began by creating a modern Adirondack chair with the durable skate-proof material that was proven to require no maintenance and hold up in all weather conditions. Since creating our first Adirondack Chair, Loll has continued to design and create outdoor furniture in Duluth, MN that is sustainable, maintenance-free, and weatherproof. Allowing our customers to continue to appreciate the outdoors with maintenance-free furniture made by Loll Designs.

awesomely sustainable

Loll Designs was founded with an appreciation for the environment and a very simple mission: make sustainable products that enhance people's enjoyment of the outdoors with efficient and responsible use and re-use of materials.

maintenance free + easy to clean

No painting, sanding, staining or sealing required. Non-porous surface of HDPE material that will not harbor dirt or mold.

weatherproof

Leave Loll products outside year-round.

replaceable parts

Component parts can be removed and replaced if damaged.

comfortable

Designed with angles in all the right places, our chairs are built to provide optimal comfort. Plus with many height variations and the option to rock, you'll be sure to find the right fit for you.

durable + sturdy

With Loll being conceived from excess skate ramp material, Loll chairs are durable and fade resistant. We subject our products to a series of tests to ensure they are suitable for outdoor use and their intended applications.

hidden fasteners

Loll's unique hidden fastener system allows for all hardware to be hidden from view.

warranty

Loll Designs strives to build long-term relationships based on confidence and trust with our customers. We stand behind the quality of our premium furniture and will make things right if you are not completely satisfied with your product. Loll Designs hereby guarantees that our products will be of exceptional quality and workmanship and free from faults and defects.
