**ASSEMBLY INSTRUCTIONS & PRODUCT INFO:**

Loll Designs inspires people to appreciate the outdoors.

We want you to love your Loll. If you are not completely satisfied with your purchase, Loll Designs hereby guarantees that the piece will be of good quality and workmanship, free from faults and defects. Loll warrants that all components will not fail, under normal use, for five years from the year mark on the piece or the date of purchase. *For commercial orders the warranty is three years. Loll Designs strives to build long-term relationships based on confidence and trust with our customers.

**Sometimes accidents occur.** Please inspect your Loll furniture when you receive it to make sure that it has not been damaged during shipping. If damage has occurred please take digital pictures of the damaged furniture and the box it was shipped in, and email them to sales@lolldesigns.com or call Customer Support 877.740.3387. A return is necessary. A return can also be requested within 30 days if you are not completely satisfied with your purchase. **SERVICE & SUPPORT**

Reach out if you need assistance. Please Recycle the BOX and paper packaging. The green plastic stretch wrap we use is compostable.

**5 YR WARRANTY**

**Please Read before beginning assembly!**

**Directions:**

1. From the box marked "Tool Included" locate the box marked "Loll Tool" and assemble according to the instructions to ensure you are aligning the proper components. If your piece of furniture requires "Blocks" for assembly one side may have protective film on it. You can easily remove it. Use a Cordless Screw Gun if you have one and know how to use it. Set the clutch setting at medium torque. We do not recommend using an electric drill with a cord and without a clutch to install bolts in inserts as you muscle the bolt any tighter. It's virtually impossible to over tighten by hand. Watch the assembly videos at www.lolldesigns.com/videos for even more information and visual aids. If you have more questions please contact your Loll Sales Associate or Customer Service for support at 877.740.3387. A Pro Tool Kit is also available to purchase from Loll for multi piece assembly jobs.

**Product Care**

Your new Loll furniture is a no maintenance product. You’ll never need to paint or stain it and it can be left outside all year regardless of the season. It will not rot, even if left standing in water. Nonetheless, we’re pretty sure your Loll furniture will get a lot of use and will at some point need cleaning. We recommend that you can be removed. Use a Cordless Screw Gun if you have one and know how to use it. Set the clutch setting at medium torque. We do not recommend using an electric drill with a cord and without a clutch to install bolts in inserts as you muscle the bolt any tighter. It’s virtually impossible to over tighten by hand.
