ASSEMBLY INSTRUCTIONS & PRODUCT INFO:

We sit beside, on top, and beneath the quality of our fine furniture and will make things right if you are not satisfied, under normal use, for five years from the year mark on the piece or the date of purchase. *For a product of good quality and workmanship, free from faults and defects. Loll warrants that all components will not fail, under normal use, for five years from the year mark on the piece or the date of purchase. *For a product of good quality and workmanship, free from faults and defects. Loll warrants that all components will

5 YEAR WARRANTY

Sometimes accidents occur. Please inspect your Loll furniture when you receive it to make sure that there is no damaged furniture and the box it was shipped in, and email them to sales@lolldesigns.com or call Customer Service using our toll free number: 877.740.3387, ext. 1. The damage will be assessed and we will either send you replacement parts or credit you for the damaged product.

*Please read before beginning assembly!

To avoid damaging furniture perform the assembly of your Loll furniture on a clean, soft surface like a blanket, carpet, or the flattened cardboard box the furniture arrived in. Scan for assembly tips and videos at www.lolldesigns.com/videos. We want you to love your Loll.

ASSEMBLY INSTRUCTIONS

1. ATTACH 3RD LEG AND SEAT BRACES

   A. Fit the short edge of the Center Leg with the Face Plate center groove track cut out. Place a Block G into the Center Leg cut out. Insert a bolt through the block into the Face Plate and finger tighten.
   B. Repeat step A to attach the Seat Braces on both sides of the Center Leg.

2. ATTACH BACK PLATE

   Slide the Back Plate over the Center Leg notched cut out and fit the Seat Brace ends into the Back Plate cut outs. Place Blocks G into the Seat Brace cut outs and insert bolts through the blocks into the Back Plate and finger tighten.

3. ATTACH RIGHT & LEFT LEGS

   Fit the Left and Right Legs with the ends of the Back and Face Plates. Place Blocks G into the Back Plate cut outs and Blocks B into the Face Plate cut outs. Insert bolts through the blocks into the corresponding plate and finger tighten.

4. ATTACH SEAT SLAT A

   Fit Seat Slat 1 cut outs with the assembled Legs on Face Plate end. Place Blocks G into the Left, Right, and Center Leg cut outs. Insert bolts through the blocks into the seat slat and finger tighten.

5. ATTACH SEAT SLATS B

   Fit Seat Slat 2 cut outs with the assembled Legs and align over the middle cut outs in the legs. Place Blocks G into the Leg cut outs. Fit the second Seat Slat 2 cut outs with the assembled Legs and align over the rear cut outs in the legs. Place Blocks G into the Leg cut outs. Insert bolts through all the blocks into the seat slats and finger tighten.

6. ATTACH BACK

   Align Back with seat assembly by fitting Back ends between the legs fitting into notched cut outs of the legs. Align the holes in the back with threaded holes in the Legs and insert bolts. Finger tighten.

   *Using provided wrench securely tighten all bolts.

*Please read Assembly Tips before beginning assembly.

A. Fit the short edge of the Center Leg with the Face Plate center groove track cut out. Place a Block G into the Center Leg cut out. Insert a bolt through the block into the Face Plate and finger tighten.

B. Repeat step A to attach the Seat Braces on both sides of the Center Leg.

*It is very important that you finger tighten all bolts into inserts to ensure that you do not cross-thread bolts and inserts before tightening. It will also be easier if you wait to tighten bolts until you have all bolts installed and the piece completely assembled. This will allow for more movement of individual pieces and help in aligning holes with inserts. Use the Allen Tool provided to finish tighten bolt until snug.
