**RAPSON CAVE CHAIR**

**ASSEMBLY INSTRUCTIONS & PRODUCT INFO:**

**PRODUCT CARE**
- Your new Loll furniture is a no maintenance product. You’ll never need to paint or stain it and it can be left outside all year regardless of the season. It will not rot, even if left standing in water. Nonetheless, we’re pretty sure your Loll furniture will get a lot of use and will at some point need cleaning. We recommend a garden hose and incorporating a soft bristle brush. Adding a tablespoon or two of your favorite eco-friendly soap to the wash will get everything squeaky clean. Mineral deposits left over from hard water can be removed. Use a Cordless Screw Gun if you have one and know how it can be overtightened.

**WARRANTY**
- For residential use, the warranty is five years from the year mark on the piece or the date of purchase. *For commercial use, the warranty is three years.

**SUPPORT**
- We sit beside, on top, and beneath the quality of our fine furniture and will make things right if you are not completely satisfied with your purchase. Loll Designs hereby guarantees that the piece will be of good quality and workmanship, free from faults and defects. Loll warrants that all components will not fail, loosen, or work loose under normal use, for five years from the year mark on the piece or the date of purchase. *For commercial use, the warranty is three years.

**MUSCLE THE BOLT**
- A bolt can easily overtighten and damage the product. All bolts come standard with a thread coating to reduce muscle the bolt any tighter. It’s virtually impossible to over tighten by hand.
