PRODUCT CARE

Your new Loll furniture is a no maintenance product. You'll never need to paint or stain it and it can be left outside all year regardless of the season. It will not rot, even if left standing in water. Nonetheless, we're pretty... water can be removed with a solution of vinegar and water. Loll offers a cleaning kit that has everything you need for great results. Also see our cleaning video at lolldesigns.com/videos.

5 YR WARRANTY

Loll Designs strives to build long-term relationships based on confidence and trust with our customers. We sit beside, on top, and beneath the quality of our fine furniture and will make things right if you are not completely satisfied with your purchase. Loll Designs hereby guarantees that the piece will be of good quality and workmanship, free from faults and defects. Loll warrants that all components will not fail, under normal use, for five years from the year mark on the piece or the date of purchase. *For commercial orders the warranty is three years.

DAMAGED PRODUCT

Sometimes accidents occur. Please inspect your Loll furniture when you receive it to make sure that it has not been damaged during shipping. If damage has occurred please take digital pictures of the damaged furniture and the box it was shipped in, and email them to sales@lolldesigns.com or call Customer Service using our toll free number: 877.740.3387, ext. 1. The damage will be assessed and you will be contacted with a solution to the problem. It may be helpful to save all of your packaging material in case a return is necessary.

ASSEMBLY INSTRUCTIONS & PRODUCT INFO:

** ASSEMBLY TIPS **

*Please read before beginning assembly!

To avoid damaging furniture perform the assembly of your Loll furniture on a clean soft surface like a blanket, carpet, or the flattened cardboard box the furniture was shipped in. Components should not be unnecessarily forced together! If it seems parts aren't fitting together you likely have something wrong and you should reread the instructions to ensure you are aligning the proper components. If your piece of furniture requires "Blocks" for assembly one side may have protective film on it. This surface is hidden after assembly so the film can remain on the block or it can be removed. Use a Cordless Screw Gun if you have one and know how to use it. Set the clutch setting at medium torque. We do not recommend using an electric drill with a cord and without a clutch to install bolts in inserts as you can easily overtighten and damage the product. All bolts come standard with a thread coating to reduce bolts loosening after assembly while still allowing removal and reuse of the bolt. Start all bolts by hand, with the Allen Key, or the Loll Tool and tighten firmly until parts are drawn tight together and you can't muscle the bolt any tighter. It's virtually impossible to over tighten by hand. Watch the assembly videos at www.lolldesigns.com/videos for even more information and visual aids. If you have more questions please contact your Loll Sales Associate or Customer Service for support at 877.740.3387. A Pro Tool Kit can also be purchased from Loll for multi piece assembly jobs.

** Please Recycle the BOX and paper packaging. The green plastic stretch wrap we use is compostable.

ASSEMBLY TIPS

- Bolt shown
- actual size.

Loll Tool

LOLL TOOL

Locate the box marked "Tool Included" before beginning assembly.

BLOCK & BOLT INSTALLATION

Insert bolts through countersunk hole side of blocks as shown below.

INCLUDED PARTS

17x 1˝ 8x 1/2˝ 4x GB 4x DMB

3x P8 1x P9 2x BB 1x P3R

1x P3L 1x P6R 1x P7 1x P5 1x P4

1x P6L 1x P2

ASSEMBLY TIPS

*Please read before beginning assembly!

To avoid damaging furniture perform the assembly of your Loll furniture on a clean soft surface like a blanket, carpet, or the flattened cardboard box the furniture was shipped in. Components should not be unnecessarily romoved during assembly to avoid cross contamination. Be sure that you have all of the proper components. You can also contact your Loll Sales Associate or Customer Service for support at 877.740.3387.

**Do not Use a Cordless Screw Gun:** It is not necessary and we do not recommend using a screw gun or drill to install and tighten bolts in inserts. Finger tighten all bolts first and then use the Allen Tool provided to finish tightening all bolts after the piece is assembled.

Please Recycle the BOX and paper packaging. Packing peanuts may be enclosed in your box. They are soy based and decompose in water.

DAMAGED PRODUCT

Sometimes accidents occur. Please inspect your Loll furniture when you receive it to make sure that it has not been damaged during shipping. If damage has occurred please take digital pictures of the damaged furniture and the box it was shipped in, and email them to customerservice@dwr.com or call customer service using our toll free number: 800.944.2233. The damage will be assessed and you will be contacted with a solution to the problem. It may be helpful to save all of your packaging material in case a return is necessary.

PRODUCT CARE

Your new Loll furniture is a no maintenance product. It is fade resistant and you'll never need to paint or stain it and it's easy to keep looking brand new. Body parts should be wiped clean with a damp cloth periodically to remove any dirt, dust or debris that may accumulate. For more stubborn messes, a gentle soap or cleaning solution can be used. If you have vinegar and water as well. Mineral deposits left over from hard water can be removed with a solution of vinegar and water.

THE LOLL STORY

Loll's history begins with the 1997 inception of TrueRide, a design and build contractor specializing in custom municipal and corporate furniture. Loll was founded by two former municipal transportation officials who wanted to minimize maintenance costs and provide a product that is built to last.

PRODUCT FEATURES

Recycled Plastic: The plastic used in Loll Designs furniture is reclaimed from post-consumer and post-industrial high density polyethylene (#2 plastic). Milk jugs are the primary source of this material.

Weatherproof: Leave Loll outdoors year round. Loll furniture is built to last and will not rot, decay, splinter or fade. Loll is held together with stainless steel fasteners and zinc coated inserts.

Replaceable Parts: If a part is damaged on your Loll chair it is possible to replace that specific piece. This reduces shipping costs and waste replacing your product. Plus the damaged piece can be recycled.

Maintenance Free: Loll Designs furniture never needs to be painted or stained. No seasonal storage required.

Made in the USA: Our manufacturing facility is located in Duluth, Minnesota.

Low Impact Manufacturing: Loll furniture is fabricated in a facility designed to reduce its impact on the local environment. Some of Loll's steps to reduce our manufacturing footprint include; Facility is a LEED Gold certified building; Daylight and naturally lit interiors; extensive industrial and office recycling programs; and the support of alternative energy.
