Loll Designs inspires people to appreciate the outdoors. Your new Loll furniture is a no maintenance product. You’ll never need to paint or stain it and it can be left outside all year regardless of the season. It will not rot, even if left standing in water. Nonetheless, we’re pretty sure your Loll furniture will get a lot of use and will at some point need cleaning. We sit beside, on top, and beneath the quality of our fine furniture and will make things right if you are not completely satisfied with your purchase. Loll Designs hereby guarantees that the piece will be of good quality and workmanship, free from faults and defects. Loll warrants that all components will not fail, under normal use, for five years from the year mark on the piece or the date of purchase. *For Counties in CA, OR, and WA, the warranty is for 3 years. Our warranty does not cover damage due to the following: Renters/leasing, commercial or institutional use, vandalism, accidental damage, improper assembly, natural disasters, acts of God, abuse, or misuse.

specifically designed to complement the Loll furniture line. Insert bolts through countersunk hole side of blocks as shown below. Start all bolts by hand, with the Allen Key, or the Loll Tool and tighten firmly until parts are drawn tight together and you can’t muscle the bolt any tighter. It’s virtually impossible to over tighten by hand. Watch the assembly videos at www.lolldesigns.com/videos for even more information and visual aids. If you have more questions please contact your Loll Sales Associate or Customer Service for support at 877.740.3387.

** Please Recycle the BOX and paper packaging. The green plastic stretch wrap we use is compostable.

ASSEMBLY INSTRUCTIONS & PRODUCT INFO:

We want you to love your Loll. Reach out if you need assistance. 877-740-3387 5912 Waseca Street | Duluth, Minnesota 55807
**ASSEMBLY INSTRUCTIONS**

*Please read Assembly Tips before beginning assembly.*

1. **ATTACH SEAT & LEG BRACE**

   Lay Left Side down flat with cut outs and threaded holes facing up. Fit Seat Brace and Leg Brace into the Sides cut outs as shown. Place Micro Blocks into the Seat Brace and Leg Brace pocket cut outs, insert 1/2˝ Round Head Bolts through the blocks into the Sides threaded holes, and finger tighten.

2. **ATTACH SECOND SEAT BRACE, LEG BRACE & SIDE**

   Fit second Seat and Leg Brace into the Sides cut outs as shown. Place Micro Blocks into the Seat and Leg Brace pocket cut outs, insert 1/2˝ Round Head Bolts through the blocks into the Sides threaded holes, and finger tighten.

   Attach Right Side using step 1-2.

3. **ATTACH SEAT**

   Fit the Seat cut outs with the assembled Sides and Seat Braces. Place Micro Blocks into the Seat Brace pocket cut outs, insert 1/2˝ Round Head Bolts through the blocks into the Seats threaded holes, and finger tighten.

4. **ATTACH BACK**

   Fit the Back cut outs with the assembled Sides. Place Double Blocks into the Side’s pocket cut outs (recessed hole side out), insert 1˝ Bolts (white) through the blocks into the Seats threaded holes, and finger tighten.

*“Complete assembly by securely tightening all bolts using provided wrench.”

*It is very important that you finger tighten all bolts into inserts to ensure that you do not cross-thread bolts and inserts before tightening. It will also be easier if you wait to tighten bolts until you have all bolts installed and the piece completely assembled. This will allow for more movement of individual pieces and help in aligning holes with inserts. Use the Allen Tool provided to finish tighten bolt until snug.*
